

Bondage (arranged by Alex Haas)

Solos: Geoff Goodman, electric guitar, Márcio Tubino, soprano sax

A love affair can take hold of you; you are then enthralled. When Jenny was creating the song she initially thought of it as a ballad but with a reggae-like, Brazilian “xote” (Scottish) rhythm it becomes less plaintive. Thanks, Márcio Tubino, who played his whole percussion set for it after the other musicians had gone home.
