

Women Of A Certain Age

Women of a certain age
they know what should be done
women of a certain age
they believe in having fun
women of a certain age
they'll keep you on the ball
and women of a certain age
they won't ever let you fall
they'll feel you and they'll teach you
they know just how to reach you
yes, women of a certain age are good

Young girls with their swirls
are just a flash in the pan
they'll ignite, then take flight
and you'll ask how it began

But, women of a certain age
they'll love you all night long
women of a certain age
they won't do you any wrong
women of a certain age
they know the tricks of love
with women of a certain age
you'll thank the Lord above
they'll feed you and indeed you
just know what that will lead to
yes, women of a certain age are good
